

1. Vision

Maximising the potential of future world citizens.

2. Mission Statement

LICS shall provide an internationally recognized education to a culturally diverse student body in a caring and supportive learning environment.

3. LICS Principles

1. LICS shall be a co-educational, secular, non-political, fee-paying, **non-profit school**, owned and managed by the parental body through an elected Board of Directors in a Company limited by guarantee.
2. LICS shall actively promote and maintain the **spirit of a multicultural community** in which individuals and groups take pride in understanding, tolerance, equality, and respect for each other's differences.
3. LICS shall endeavour to create and foster a caring, **child-centered and family orientated atmosphere** and environment.
4. LICS shall take the **CIE (University of Cambridge International Examinations) educational system as its base** and provide a requisite range and variety of subjects in academic disciplines, as well as extra-curricular activities in cultural, creative and sporting areas.
5. LICS shall implement varied and appropriate **teaching and assessment methods** to cater for different learning styles, abilities, skills and interests.
6. LICS shall employ a **diverse faculty** of well qualified and highly motivated local and overseas staff, with international backgrounds and experience.
7. LICS shall **strive for a campus providing the facilities and resources** to fulfil the educational goals of the school and promote responsible environmental awareness within and outside the school.
8. LICS shall put in place governing systems which **promote prudent finance and responsible business practice**.
9. LICS shall **promote interactions** with the wider community and encourage the participation of all its stakeholders.
10. LICS shall **strive to achieve excellence** in all areas of operation through self-reflection and continuous improvement.
11. LICS aims to **engender in its students a broad understanding of global issues** by promoting the United Nations Universal Declaration of Human Rights, ultimately contributing to establishing a fairer and more peaceful world.
