

MUSIC LESSONS

Our team of local and international artists offer lessons in various instruments and activities providing a balance between high-quality training and fun. Whether you have a passion for art, dance or instrumental performance, we can provide the encouragement and the help you need to develop your artistic talent.

We include an Intensive Lesson Course (ILC) taught by our instrumental teachers with the highest international qualifications. These lessons are intended for advanced students who are willing to participate in intense training, attend concerts, and perform recitals. Students who are not selected by the teachers will have to pass an audition.

Prices for each term are as follows:

Young learners under 7: ZMW 900 per term for 30 minute sessions

Private lesson: ZMW 1,250 per term

ILC Private lesson: ZMW 1,750 per term

Note: Instruments are available for hire. Please enquire at Administration.
