

Proud of LICS – Proud of Me School Dress and Appearance Code

At LICS we value highly the pride we have in ourselves and our school. **Brand LICS** reflects our image the high standards that we strive to uphold.

Our uniform items and how we wear them and how we carry ourselves; while embracing the realities of a bustling progressive school and a more informal mode; must be worn with dignity and with respect towards the image of the school.

The following points must be adopted as the basic tenets for wearing our uniform:

- Students not upholding the LICS dress and uniform code will face appropriate sanctions as defined by each department.
- The uniform must at all times be worn with regard to the principle of modesty and appropriateness.
- Clothes should always be neat and freshly washed and ironed. Seams, buttons, and hems must be in good repair. Faded and worn items must be replaced.
